Having traveled so much, it's time to enjoy being back home again – so we've
present your forward-looking ideas to the public and actively network with other
continuing development of Berlin's municipal administration. We invite you to
Prize is back! Wanted: solution-oriented projects that contribute to the
in a new edition – and it's actually in our CityLAB library, too (as soon as Tori
in any case, we're looking forward to learning more about the
in everyday administrative life. The focus is on dialogue between CityLAB and
3. A book that gives you plenty of food for thought – but is by no means depressing!
the lab's innermost circles that could definitely rival any classic beach thriller.
Scale – and the results speak for themselves. Anyone interested in how digital
marks it back, ahem, TORI!!!)

CityLAB reading tips for the summer

Tip 1:

The CityLAB is still in summer mode! So what's our holiday destination?

Tip 2:

The CityLAB is still in summer mode! So what's our holiday destination?

Tip 3:

The CityLAB is still in summer mode! So what's our holiday destination?

Want to stay in the oasis a little longer because you can't get enough of service

But we mustn't forget the present, of course, where our motto is: read, read,
